

# Barnyard Bingo

For 2 players

## **MATERIALS**

Bingo boards  
Bingo cards  
24 tokens or checker pieces

## **ASSEMBLY**

Print and cut the boards and cards

## **SET-UP**

Choose the boards with smaller numbers (up to 10) or larger numbers (up to 15).  
Each player places their board in front of them.  
Shuffle the cards and deal 5 cards to each player. Players may look at their cards.  
Place the remaining cards in a draw pile, face down.  
Turn over one card to start a discard pile.

## **GAME PLAY**

Players take turns. Your aim is to cover a number on your board using a sum of cards, with at most one animal of each type.

On your turn:

- Pick up 1 card from the deck or the top of the discard pile.
- Choose cards from your hand that add up to a number on your board. Use at most one animal of each type.
- Cover that number with a token.
- Place the cards face-up on the discard pile, with your choice of card on top.
- If you are unable to or choose not to cover any numbers, then play passes on to the next player.

(Variation: players may decide to allow covering more than one number per turn, as long as all necessary cards are available.)

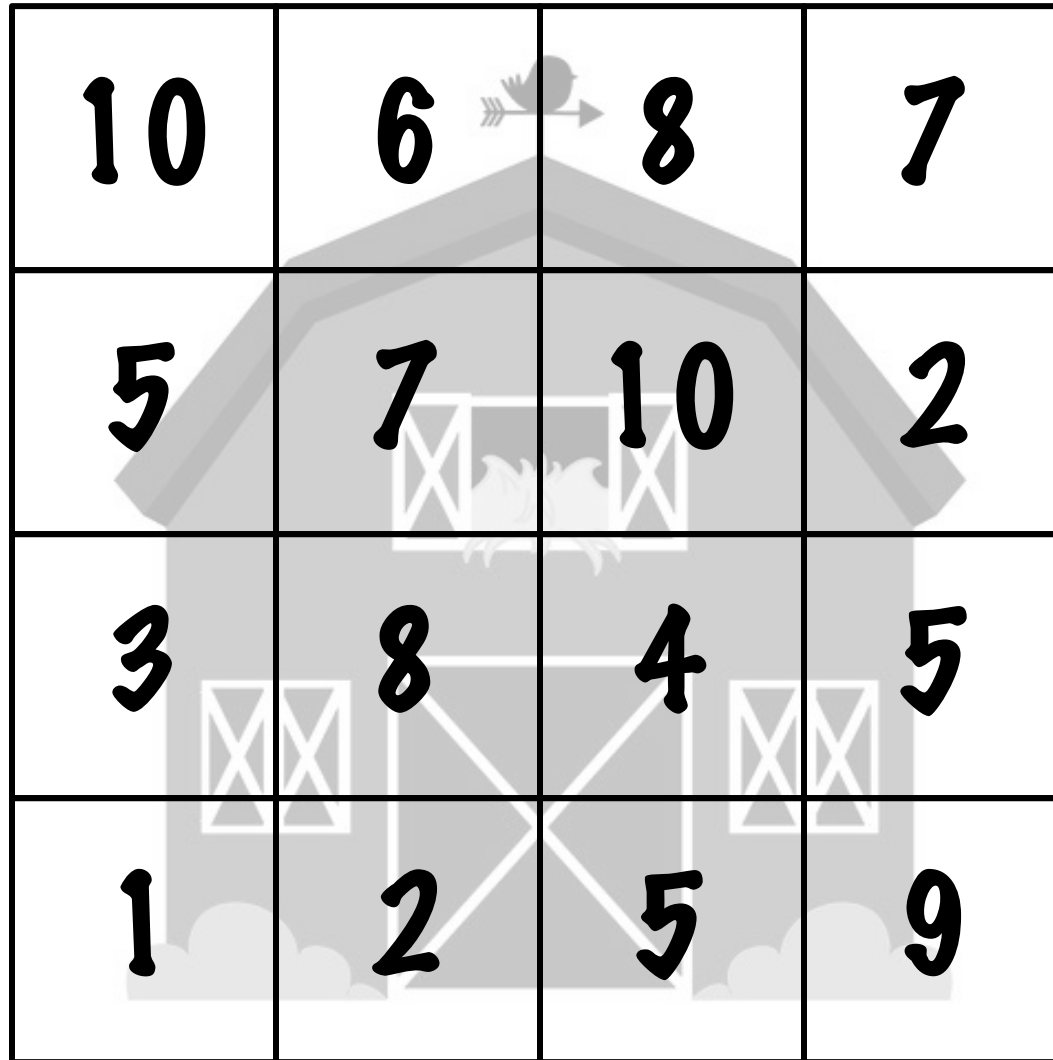

## **END**

The winner is the first to get four tokens in a row (across, down, or diagonally).
